LOUISVILLE.

TUESDAY, FEBRUARY 24, 1857

tions which are unged against this treaty by a por tion of the press, and that are understood to have led to its unexpected resuff in the Senate, appear to us silly and frivolous in the extreme. If sincere, they certainly cannot be deliberate. To say nothing of policy, they outrage both consistency and

ntion, to which it is merely supplement simply tills up the blank in the Clayton-Bulwer vaguely hints. It fixes its natural corrollaries in and formal stipulations. And in doing this and skill, it at once adjusts the whole Central are concerned, which is as far as it concerns exterior

oportions it assumed in the discussions under the layton-Bulwer treaty, related, it will be remem-ered, to the actual limits of the British possessions in the 1 sthmus, to the Musquito protectorate, and to the Bay Islands. The trenty now before the Senate catisfactorily adjusts every one of these points. It defines the limits of the British possessions in the thmus, it abolishes the Mosquito protectorate, and least Britain coded the Ray Islands to Honduras. whom we have always clamorously asserted to be their rightful owner. It settles the whole question. And it settles it fairly and honorably. It settles it, furthermore, in accordance with the spirit of the original treaty on which it is based, and which is

want? What more can we justly or prudently ask? Why, in the opinion or pretended opinion of the altersaries of the treaty, we should exact a scrupu-Britain from any participation in the act. This, in lous ground. It is unbecoming a statesman worthy have never done this in fact, and we never shall or they are driving their Senators and Re

rity to life and property which those States themneives are interly smalle to guarantee. The Play-ton-Bulwer treaty, in pursuance of the policy which and a united American confederacy has governed our negotiations on the subject for the last quarter of a century, undertook to do this, indispensable work. It is, therefore, too late, if it were not excessively absurd and foolish, to raise a tral American States. If those rights are absolutethese same gentlemen endorse and are ready to enout a moment - hesitation or delay. If they are must and ought to yield to the paramount claims of

that this country or any other should stand by with folded arms and witness the constant murder and pillage of its citizens by the semi-savages of the Isthmus out of mere Quixotic deference to their plicants for public charity. an rights. It is downright fatuity. We notice can at Washington. The joke is really almost as restination and in the estimation of their fellow are not the recipients of charity but are sup

But, if the sovereignty of the Ceutral American But is the sovereignty of the Ceutral American and so the sovereignty of the Ceutral American But is the sovereignty of the Ceutral American and so that the source of society. The benefits of this institution are numers. It is seen demonstrated that the funds of the association are not usefully applied or this manuer than any other, and its permanent establishment in a many other, and american which holds out so among the proposed of the purpose would in all probability. quest and annexation which looks out so gagerly upon the tempting region in question. The progressive wing of the Democracy have no thought of shutting so eligible a prospect entirely out of view. nower to go before the people, in the next Presideuial contest, with "Cuba, Mexico, and Central Ame- who prove themselves truly worths of as istan
